Dave Harbour
Mark K. Johnson
Anthony A. Price
Janis W. Wilson

In the Matter of Investigation into the Impact on)
Alaska Consumers and Carriers of Inter-carrier)
Compensation Reform by the Federal)
Communications Commission)

R-06-6

ORDER NO. 3

ORDER EXTENDING COMMENT PERIOD AND REQUIRING FILING

BY THE COMMISSION:

Summary

We extend the deadline for filing comments in this docket and schedule a discussion on our final draft of reply comments to the Federal Communications Commission (FCC). We require local exchange carriers (LECs) providing residential or access service in Alaska to complete the attached surveys and return them by December 15, 2006.

Background

This docket considers intercarrier compensation reform taking place at the federal level.¹ The FCC has invited comments on the *Missoula Intercarrier Compensation Reform Plan (Missoula Plan)*, a plan submitted by the National

¹We initially considered federal interconnection policies in Docket R-04-6, also titled *In the Matter of Investigation into the Impact on Alaska Consumers and Carriers of Intercarrier Compensation Reform by the Federal Communications Commission*.

1 Association of Regulatory Utility Commissioners' (NARUC) Task Force on Inter-carrier
2 Compensation.²

3 We previously announced our intent to issue draft reply comments on the
4 *Missoula Plan* and established procedural deadlines that would allow us to submit our
5 reply comments by the FCC's December 11, 2006 filing deadline.³ On November 20,
6 2006, the FCC granted NARUC's request to extend the deadline for reply comments on
7 the *Missoula Plan* from December 11, 2006 until January 11, 2007.⁴

8 Discussion

9 Our previous order noted that any modification of the FCC's
10 comment/reply comment deadlines could result in a modification of our filing schedule in
11 this docket.⁵ The FCC's extension of the deadline for reply comments on the *Missoula*
12 *Plan* provides additional time to prepare reply comments, and consistent with our
13 previous statements we will extend filing deadlines in this proceeding.

14 Our previous orders indicated that we would release our draft reply
15 comments on the *Missoula Plan* on or shortly after November 17, 2006,⁶ and
16 established November 27, 2006 as the date for public comments on our draft
17 comments. We will discuss our draft comments at a special public meeting on
18 December 8, 2006 and anticipate issuing our draft comments no later than December

19 ²See *Comment Sought on Missoula Inter-carrier Compensation Reform Plan*,
20 Public Notice, CC Docket No. 01-92, DA 06-1510 (WCB, July 25, 2006).

21 ³See Order R-04-6(4)/R-06-6(1), dated September 22, 2006. The deadline for
22 reply comments on the *Missoula Plan* was initially November 9, 2006, but was
23 subsequently extended to December 11, 2006. See *Order*, CC Docket No. 01-92,
DA 06-1730, WCB, August 29, 2006

24 ⁴See *Order*, CC Docket No. 01-92, DA 06-2339, WCB, November 20, 2006. A
25 copy of that order can be found at the following Internet link:
http://hraunfoss.fcc.gov/edocs_public/attachmatch/DA-06-2339A1.pdf

26 ⁵Order R-04-6(4)/R-06-6(1), p. 6.

⁶See Order R-06-6(2), dated October 17, 2006.

1 11, 2006, and will extend the deadline for public comment in on the draft comments to
2 December 18, 2006. After evaluating public comment, we will consider whether to
3 submit reply comments on the *Missoula Plan*, and the contents of any comments that
4 we may file, at a special public meeting tentatively scheduled for January 3, 2007.

5 On November 28, 2006 we received a request from Commissioner Tony
6 Clark, Chairman of the NARUC Telecommunications Committee, to participate in a
7 survey designed to assist NARUC and state commissions in estimating the impacts
8 under the *Missoula Plan*.⁷ All Alaskan LECs providing access service to a long distance
9 provider are required to respond to the survey questions in Appendix A. All LECs that
10 provide residential service (resold or facilities-based) within Alaska are required to
11 respond to Appendix B. Survey responses must be filed with us by December 15, 2006,
12 in both paper and electronic format (i.e., diskette or CD-ROM). Electronic versions of
13 the survey spreadsheets (MS Excel) can be downloaded from the RCA website at
14 <http://www.state.ak.us/rca/Telecom/>.⁸

15 NARUC has requested that we submit survey responses by December 22,
16 2006. Should any party request confidential treatment of survey response information,
17 we may shorten the time for filing oppositions to the confidentiality petition⁹ and/or
18 pursuing the rights stated at 3 AAC 48.047.¹⁰

21 ⁷A copy of the request from Commissioner Clark is attached to this order as an
22 Appendix.

23 ⁸Interested parties are directed to contact Philip Treuer at (907) 263-2150 or
24 phil_treuer@rca.state.ak.us if they have any questions about the survey.

25 ⁹3 AAC 48.045(c) allows a party opposing confidentiality to file an opposition
26 within five days of the filing of the petition.

¹⁰3 AAC 48.047(b) allows a petitioning party, within seven days service of the
notice of a determination denying the petition for confidentiality, to petition for
reconsideration or request the withdrawal of the record.

ORDER

THE COMMISSION FURTHER ORDERS:

1. Ordering Paragraph No. 3 of Order R-04-6(4)/R-06-6(1), establishing a deadline of November 27, 2006 for public comment on the our draft reply comments to the Federal Communications Commission on the *Missoula Inter-carrier Compensation Reform Plan*, is vacated.

2. By 4 p.m., December 18, 2006, interested persons may file comments on a draft of our reply comments to the Federal Communications Commission on the *Missoula Inter-carrier Compensation Reform Plan*.¹¹

3. By 4 p.m., December 15, 2006, any Alaskan local exchange carrier providing access service to a long distance provider shall file a written response to the survey questions in Appendix A. Survey responses must be filed in both paper and electronic format (i.e., diskette or CD-ROM)

¹¹If you are a person with a disability who may need a special accommodation, auxiliary aid, or service or alternative communication format in order to participate in the hearing, please contact Joyce McGowan at 1-907-276-6222, toll free at 1-800-390-2782, or TTY at 1-907-276-4533, or send your request by electronic mail to rca_mail@rca.state.ak.us, at least three business days before the hearing to make the necessary arrangements. Any party wishing to appear telephonically at the hearing must advise us in advance and provide a telephone number where it may be reached for that appearance.

4. By 4 p.m., December 15, 2006 any local exchange carrier providing residential service (resold or facilities-based) in Alaska shall file a written response to Appendix B. Survey responses must be filed in both paper and electronic format (i.e., diskette or CD-ROM).

DATED AND EFFECTIVE at Anchorage, Alaska, this 7th day of December, 2006.

BY DIRECTION OF THE COMMISSION

6													
7													

* Please use current rates for all questions concerning rates. For all other questions use calendar year 2005 or end of year 2005 as appropriate.

** LECs that do not provide access service to a long distance provider should ignore this question.

*** Only include lines for which the end-user is your customer.

1) Study area code (per NECA/USAC, e.g. 6130000 for ACS of Anchorage, Alaska)

2) Company study area name (e.g. ACS of Anchorage)

3) Holding Company (if applicable, e.g. Alaska Communications)

4) IFR, or equivalent, else line charge (reflect additional line charge in average if varies from primary line charge)

5) If usage is not included in line charge, then usage package -- if usage package does not exist then average residential usage revenue for study area

6) Touchtone charge -- if any?

7) Mandatory EAS Charge -- if any for residential customers?

8) Other residential local charges/items - e.g., USF credit per line, average zone charge, ..

9) If bundled together then report here, otherwise Total of items 4,5, 6, 7 and 8

10) State residential SLC rate (if applicable)

11) Other residential *End-User* Charge (State Rate Rebalancing Surcharge, etc.)

12) Does this study area have interstate and intrastate rate parity?

Parity defined as overall intrastate rate per minute not more than 10% higher than the overall interstate rate or less than interstate rate.

13) Total Residential Switched Access Lines (Including Non-Primary Residential Lines, but excluding Lifelines).

Please provide 2005 data and it should be the same entry as in Column 4 of the "RM" tab.

Service of Order R-06-6(3) includes mailings to all known interested persons, and the list is lengthy. In order to minimize copying and mailing costs, the Commission has waived the requirements of 3 AAC 48.100(f) to the extent that the service list herein is not included as part of this mailing. That list is a public record on file with the Commission. Persons interested in obtaining the list should contact the Commission at the address set out to the left.
